About me

Curious. Innovative. Tech-savvy. Problem-solver.

Or, if you'd like a brief description:

"A computer science student is a curious and innovative individual who is passionate about technology and problem-solving. They possess a unique blend of technical skills, creativity, and analytical thinking, enabling them to design, develop, and innovate cutting-edge software and technology solutions."

Education

(2023-2026)bsc computer science
Govt arts college,nadanam
